Aggravated Burglary Incident

Lafayette Police Department officers responded to the 200 Blk of Doucet Rd. in reference to an aggravated burglary call. The victim advised officers that she returned home around midnight. The victim proceeded inside of her residence leaving her front door partially ajar with intentions to leave shortly thereafter. When she returned to the front of the residence, a large unknown black male was standing in the doorway of her apartment. The suspect was wearing a mask and knit style hat (two separate pieces), dark T-shirt, dark colored shorts and dark gloves. The unknown suspect was holding a black semi-auto handgun and demanded the victim's wallet and money. The suspect forced the victim back into the apartment at gunpoint, but then would leave the scene prior to taking anything. Officers canvassed the immediate area and surrounding neighborhood for the suspect, but he was not located. This investigation is ongoing.
